### Discussion

- New Zealand/Australia APDA Clone
  - As previously reported, an APDA clone is being established in New Zealand/Australia. Their first meeting will be in March of 2012. The National voted to give the group \$1500 to support the startup of the organization.
- National Scholarships
  - It was voted to have the National Board of Trustees review the scholarship fund prior to each fall meeting. From the review, the Board of Trustees will determine the number and amount of scholarships to be awarded. This is to ensure the scholarship fund does not continue to grow much more than the \$50,000 initial gift given to the APDA.

- The National Board of Trustees would support the WUMs Area if it were to decide it wanted to become the National. If WUMs decides it does not want to be the National, the UMW Area has indicated they would step in.

### **Technical Sessions**

- Technical training was provided on Incident Response to Terrorist Bombings, Human Errors, Interactive Learning Tools and CIP.

The next National APDA meeting will be held in Memphis, Tennessee from October 18 - 20, 2010 at the Memphis Crowne Plaza Hotel. The registration cost is \$275. Amount of CEHs to be awarded yet to be determined.
